

Owner Gail A. Cooper, raised in West Dennis, Cape Cod, Mass., has devoted her entire life, from a young age, to her passion, to the extent of becoming the Dog Officer in her home town.

Gail has owned her own Zoo, reached the level of "International Animal Broker", for years raised and bred thoroughbred horses for both the Mass. and New York horse racing programs.

Gail's proudest accomplishments have been in winning most of the major prestige Dog Shows throughout the U.S. with her well known Great Danes, producing numerous Grand Champions.

Gail purchased Parwick Kennels in November 1999 from the original owners, Ralph Parrish and Alton Wicker, who started the Kennel back in 1969.

Ask anyone who knows Gail and they will tell you "Gail is the **ultimate professional** among the professionals."

**When you first meet Gail she will say,
*"Bring your dog to me once, then
 watch their attitude the second time!"***
